As we are aware the front of the church needs restoration and repair. **The approximate cost for these repairs is \$35,000.00.** Please use the Building Fund envelopes and clearly mark donation as Building Fund. Also, in looking forward to the upcoming needs of the church, we will be taking bids on other items that may need to be updated or replaced such as new air conditioning system for the Parish Hall. This is for expense planning only at this time. The building fund is very important to the maintenance of our parish. Thank you for your faithful donations.
